

Delicate Petal Dies – Idea 1

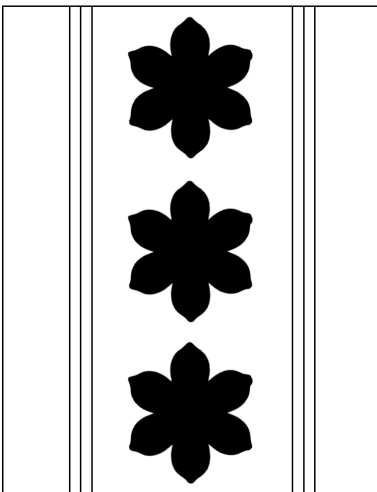

Die Set: Lacy Petal Dies

Cardstock: Coastal Cabana, Calypso Coral, Granny Apple Green, Crushed Curry

Basic Rhinestones colored with Daffodil Delight Blender Pen

Meadow Moments embossing folder

This card would look great in a multitude of colors and could be made with a multitude of punches or die cuts that look nice in a row.

Coastal Cabana Card Base

Calypso Coral 2 3/4" x 5 1/2"

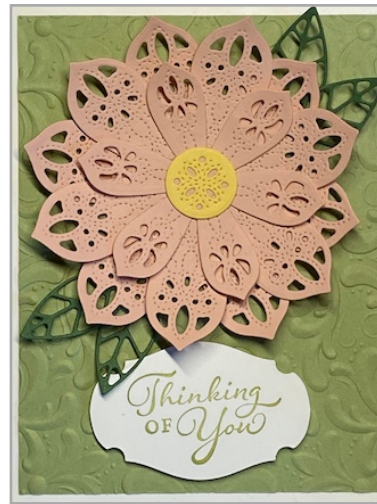

Crushed Curry 2 1/2" x 5 1/2"

Granny Apple Green 2 1/4" x 5 1/2"

I used the Meadow Moments embossing folder on the Granny Apple Green piece

Decorate with the Medium and Small lacy flower from Lacy Petal Dies or any flower you have on hand. The med daisy punch from SU would work great!
