3" x 3" DSP Decorated Card

Card Base
8 1/2" x 5 1/2"
scored at 4 1/4"

Mat
3 1/8" x 4 3/8"

DSP
3" square cut
on diagonal

Step One: Create Card Base using coordinating Cardstock

Step Two: Cut a mat out of coordinating Cardstock

Step Three: Cut a piece of DSP into a 3" square and then cut on the diagonal

Step Four: It is best to lay out the DSP on the cardstock on the mat to see where to stamp your sentiment but do not adhere it until you are happy with your stamped image

Step Five: I like to adhere the mat to the card base using dimensionals
