Card Base: Pumpkin Pie
 Rectangles: Basic White
 Ink: Pumpkin Pie and Memento Black

stampwithtlc.com

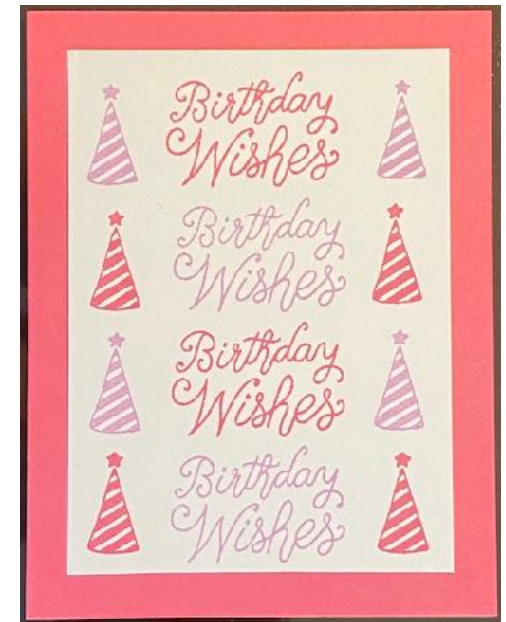

Little Delights Simple Cards 2

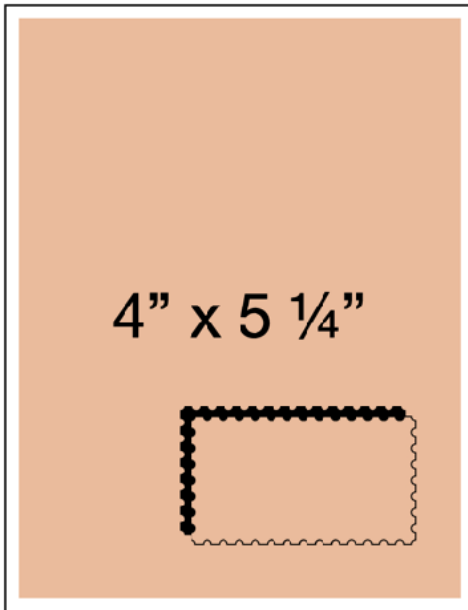

Card Base: Real Red
 Rectangles: Basic White
 Ink: Real Red and Shaded Spruce

Tip: Don't use an overly juicy pad with the light bulb. My Real Red lights did not come out as clean as the Shaded Spruce because my stamp pad was not as juicy.

Card Base: Polished Pink
 Rectangle: Basic White
 Ink: Polished Pink and Fresh Freesia

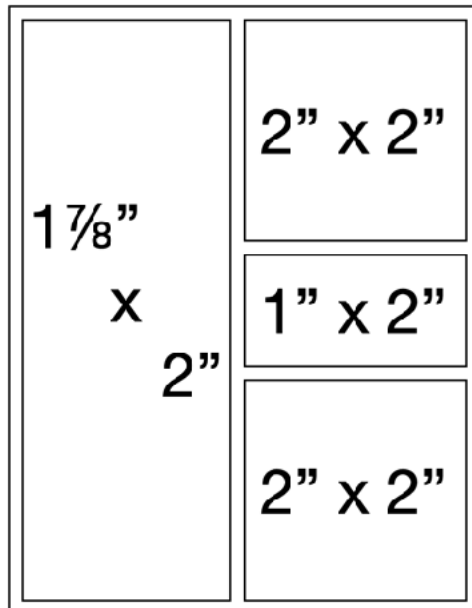

Little Delights Simple Cards 3

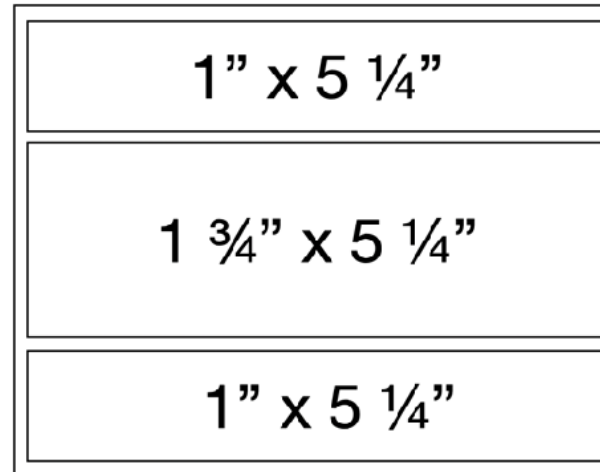

Each card starts with a normal A2 card base (5 1/2" x 8 1/2" scored on the long side at 4 1/4")

I used the postage stamp punch for this card and placed it on dimensionals slightly off from where I punched it to add a shadow.

I stamped images on each piece of Basic White, but these measurements could be used to cut DSP as well.

Little Delights Simple Cards 4

This is another card that you can use to stamp on the strips as I did or you can cut the strips out of DSP for a different look.

To add a little depth you can adhere the basic white to the card base using dimensionals.
