

## Retiform Technique Card A

Measurements are just suggestions. When I made my samples, I just estimated areas by holding the stamps in different sections of the card.

3 3/4" x 5"

1 1/8" x 1 1/8"	3 3/4" x 5"	1 1/8" x 1 1/8"
2 5/8" x 5"		

## Retiform Technique Card B

I used several sticky notes for my masks.

New masking paper is coming in the new annual catalog that comes out in May '22!

Use sponge daubers or a blending brush to ink edges.

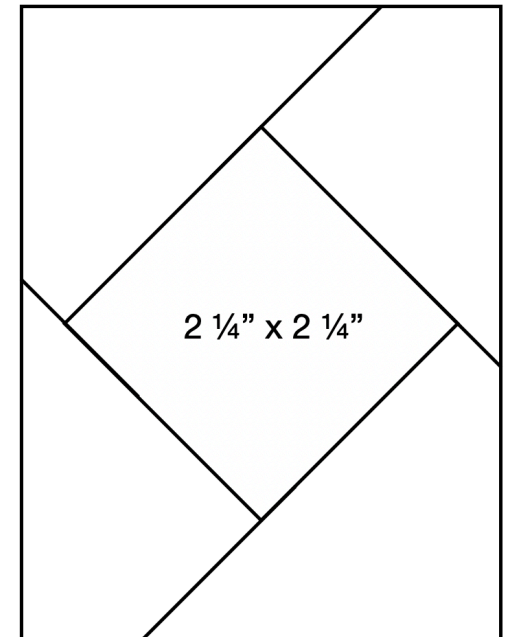

3 7/8" x 5 1/8"

Step 1: Start by placing sticky notes around the center of the cardstock creating the center square.

Step 2: Ink edges of the square with dauber or brush.

Step 3: Stamp image of choice before removing sticky notes.

Step 4: move sticky notes to next section and repeat process.

When inking with daubers, start with the dauber on the sticky note and use circular motions to add ink to the cardstock.

1 1/8" x 5 1/8"	1 3/8" x 2 1/2"	1 3/8" x 2 1/2"
	1 1/2" x 2 3/4"
