

Fall Book Pop Up Card 1

Portrait A2 Card Base: 5 1/2" x 8 1/2"
scored on the long side at 4 1/4"

Cut a piece of cardstock 5 3/8" x 8 1/2" and follow the cutting guide for the DSP insert for the Pop Up Book Card (<https://stampwithtlc.com/book-pop-up-card/>). This card uses cardstock instead of DSP for the pop up insert.

The cutting guide below is for the DSP pieces to glue on top of the cardstock pop up insert.

Cutting guide for the 2 1/2" X 5 1/8" rectangle ->

Glue each piece of DSP to the insert before adhering the insert to the card base. See the instruction sheet for the Pop Up Book Card listed above for detailed instruction.

I cut one of the 2 1/4" x 3 1/8" pieces in Basic White to stamp the sentiment.

Fall Book Pop Up Card 2

I used Stampin' Dimensionals on the Cajun Craze punched label.

The Basic White label, leaves and acorn are all glued to the Cajun craze label.

I forgot to add that the sentiment on the inside is from the Blessings of Home stamp set.

Inks used:
Cajun Craze
Soft Suede
