

## Flocked Snowflake Card 1

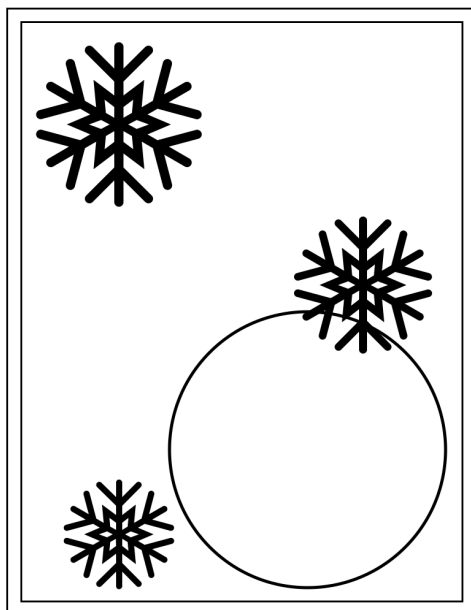

A2 Card Base  
Night of Navy  
5 1/2" x 8 1/2"  
scored on the long side  
at 4 1/4"

DSP: 4" x 5 1/4"

I simply glued all  
embellishments directly  
to the DSP.

To glue vellum to the  
card base, be sure to put  
the glue behind the  
snowflakes so it won't  
show through the vellum.

When making a card  
with the metallic  
snowflake specialty  
vellum, I die cut the  
three snowflakes  
from Snowy White  
Velvet sheets instead  
of the silver foil.
