

## Book Mark Card 1

A2 Card Base:  
5 1/2" x 8 1/2"  
scored on the long side at 4 1/4"

DSP start with a 4" x 5 1/4" piece and then cut off 1" to form a 3" x 5 1/4" piece and a 1" x 5" piece

Cut a piece of cardstock to mat the 1" piece of DSP and a piece of Basic White cardstock for the inside of the book mark at 1 1/4" X 5 1/4"

Belly Band:  
3/4" x 10" piece of cardstock (Fold loosely around card and glue one end on top of the other.)

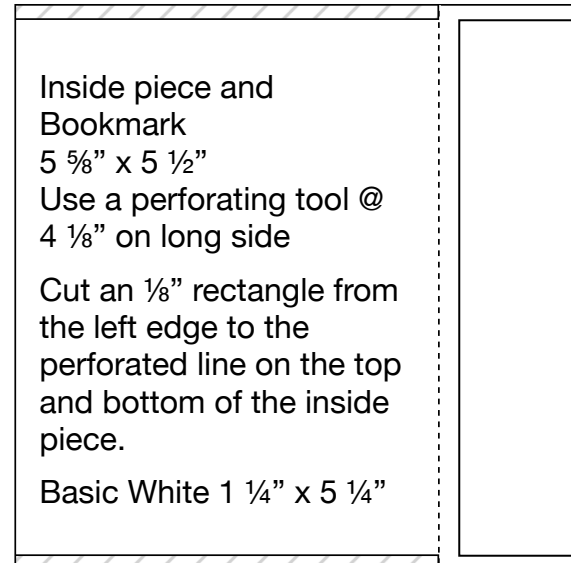

## Book Mark Card 2

My picture cut it off, but there should be an 1/8" margin of card base showing on the top, left and bottom side of the pink insert.

I stamped the flowers on the inside piece of the book mark or you could use more DSP.

Inside piece and Bookmark  
5 5/8" x 5 1/2"  
Use a perforating tool @ 4 1/8" on long side

Cut an 1/8" rectangle from the left edge to the perforated line on the top and bottom of the inside piece.

Basic White 1 1/4" x 5 1/4"

Once you have glued all the layers onto the bookmark you can punch a hole for ribbon.

NOTE: I did use an embossing folder to liven up the belly band.
