

## Simple DSP Fussy Cut Card 1

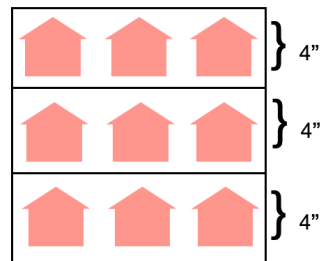

Flirty Flamingo  
Card Base:  
8 1/2" X 11"  
Scored on long  
side at 4 1/4".

Mat: 4 1/8" x 5 3/8"

DSP: 4" x 5 1/4"

Cut a card base and Basic White Mat using the above measurements.

One - 12" x 12" sheet of the blue DSP with White buildings can be cut into 6 - 4" x 5 1/4" sections to make 6 cards. Start by cutting 4" strips so that you have a whole row of houses. Then cut each strip so that you end up with two pieces measuring 4" x 5 1/4"

Choose a sheet of large buildings from the DSP pack and fussy cut your favorite ones. Attach them to the Blue and White DSP using Stampin' Dimensionals.

I used the double oval punch for the sentiment piece.

## Simple DSP Fussy Cut Card 2
