

Wintry Forest Display Card 1

Card Base is in two separate Sections.

Back is Night of Navy cardstock measuring 4 1/4" X 5 1/2"

Front is 5 3/4" x 5 1/2" score lines on the 5 3/4" side at 1/4", 1/2", 3/4", 5", 5 1/4", and 5 1/2"

Accordion fold the sides of the card front so that they are stacked completely behind the card front.

Glue the DSP in the center of the card back and then glue the last accordion fold to the card back.

Wintry Forest Display Card 2

Using Stampin' Dimensionals, place the deer on the DSP so that he peeks out between the trees.

Attach the floral stems to the back of the sentiment piece then carefully attach the sentiment piece to the trees using well placed Stampin' Dimensionals. I actually place the dimensionals on the trees and laid the sentiment piece on top of them.

Glue a 4" x 5 1/4" piece of Basic White cardstock to the back of the card so that you can write your message.

This card is only a 1/2" deep, but it will stand up on a smooth surface for display.
