

## Noel Display Card 1

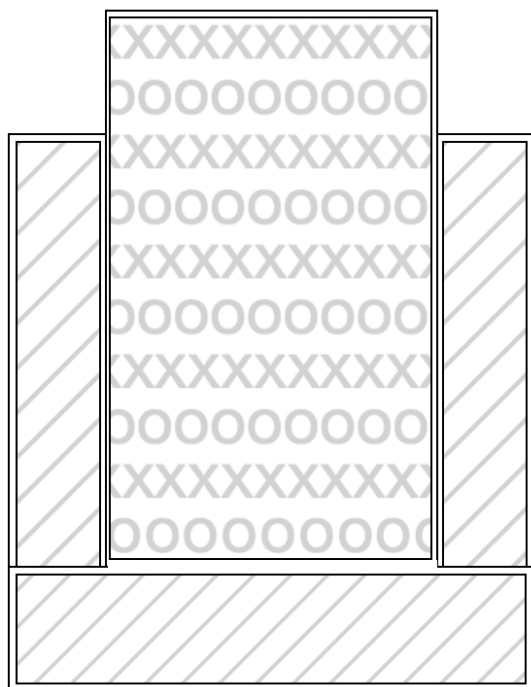

For instructions on cutting the card base, see my blog entry from Oct 8, 2021:

<https://stampwithtlc.com/side-light-easel-card/>

or to go directly to the PDF:

<https://stampwithtlc.com/wp-content/uploads/2021/10/Side-Light-Easel-Card.pdf>

I cut the DSP differently for this version. See below for the new measurements.

DSP:

2 cut:  $\frac{5}{8}$ " x  $4 \frac{3}{8}$ "

1 cut:  $\frac{7}{8}$ " x  $4 \frac{3}{16}$ "

1 cut:  $2 \frac{5}{8}$ " x  $4 \frac{3}{8}$ "

Everything else is die cut using the two diecut sets listed in the products used.

NOTE: The diecut frame I used was only glued to the center section. You can also attach it using Stampin' Dimensionals.

Be carefull when adding embellishments like the pine boughs that they do not extend past the sides of the card. If they do it will not fit in a standard invitation envelope.

## Noel Display Card 2

### Product List

- [Joy Of Christmas 12" X 12" \(30.5 X 30.5 Cm\) Designer Series Paper \[161958\] \\$12.50](#)
