

## Flight & Airy Note Card 1

Card base is a Whisper White Note Card from Stampin' Up. The front of the Note Card measures 3 ½" X 5"

Cut a 3 ⅜" x 4 ⅞" piece of Designer Series Paper for the front of the card.

Glue this piece to the Front of the card. Now use the Heartfelt Hexagon punch to make a window in the card front.

Use the Heartfelt Hexagon Punch to punch a set of birds from another piece of DSP. This piece will be glued to the inside of the card. **NOTE:** If you glue this piece to the inside while the card is closed you can use the window to line it up perfectly.

Add a sentiment and flower if you wish or simply leave the DSP for the decoration for the front of the card.

I stamped a sentiment on the inside of my card right below the birds.
