A	B	C
Fold section A towards Section B to crease the score line.		Inside of card: Basic White 2 3/4" x 5 1/4"
		7/8" x 5 1/2" cardstock

Now open the A section back up and close the card. Put glue only on the front of the card in the A section and then place the matching cardstock cut at 4 1/4" x 5 1/2" on top of the card so that it will only be glued to the A section of the card front. The Z fold of the card base forms the easel which is why you need the extra piece of Cardstock to form the front of the card.
