

Forever Love Card 1

- Very Vanilla Card Base: 5 ½" x 8 ½" scored on the long side at 4 ¼". Moody Mauve Embossed Mat: 4 ⅛" x 5 ⅜"
- Lifetime of Love Dies: Die cut the oval floral die from Very Vanilla. Keep the inside! Cut the thin oval piece from the flowers. The Flowers are used for card 2.
- Glue the thin oval section that you cut off from the flowers to the inside oval piece. This is a little forced but it is so thin it will bend to match the curve on the top of the oval.
- Using more dies from the Lifetime of Love set. Cut out the flowers and leaves shown above from the Forever Love DSP pack. (Or you could stamp the images and die cut them if you don't have the DSP)
- Use these die cuts to cover up the jagged edge on the bottom of the oval.
- I used Stampin' Dimensionals to attach the oval and flowers to the card base. Add rhinestones.

Forever Love Card 2

- Pretty Peacock Card Base: 5 ½" x 8 ½" scored on the long side at 4 ¼"
- Embossed Very Vanilla piece 2 ½" X 5 ⅜"
- Border piece from Forever Love DSP pack: 1 ½" x 5 ½"
- Gold Foil Pieces: 2 cut at ¼" x 5 ½"
- Glue the embossed Very Vanilla piece to the right side of the card base so that you have a small margin on the top, bottom and right side.
- Glue the gold pieces underneath both long edges of the DSP border piece so that just over an ⅛" shows.
- Glue the gold edged border piece you just made to the left side of the card base. Be sure to have an ⅛" margin on the left side.
- Color the Floral Diecut piece leftover from card 1, and glue to the left side of a Modern Oval Cardstock Piece and attach to card base using Stampin' Dimensionals.
- Add Rhinestones

Forever Love Card 3

NOTE: I did not list stamping your sentiments in the instructions, but you should always stamp the sentiment before attaching your sentiment piece to the card. In fact you should stamp before you glue any embellishment pieces to it as well.
