

Shutter Fold Forever Love Card 1

The directions for cutting the card base are on the next page.

Once you have the card base made you can cut the DSP and Mats as well as any decorations you would like to add.

Mats are optional and you can leave them off if you want to save time.

A: Cut 8 mats and 8 pieces of DSP

Mat: 1" x 1 3/4"

DSP: 15/16" x 1 13/16"

B: Cut 2 mats and 2 pieces of DSP

Mat: 3 1/8" x 3 5/8"

DSP: 3" x 3 1/2"

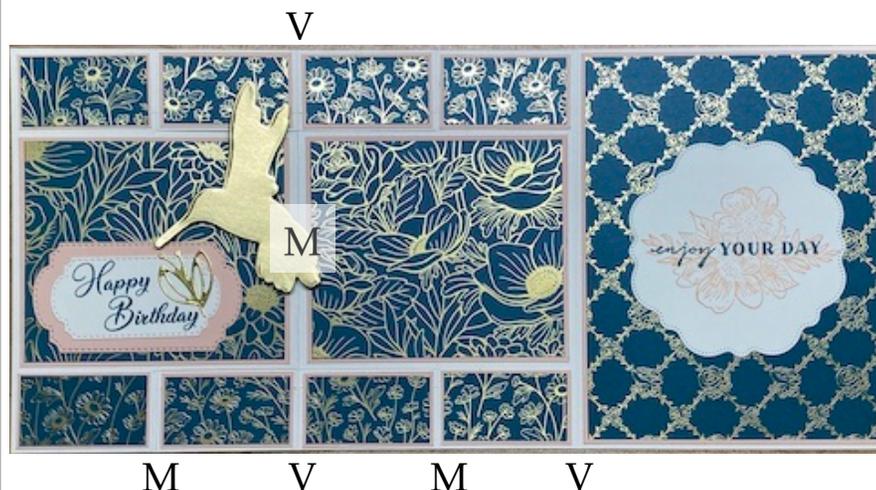

C: Cut 1 mat and 1 pieces of DSP

Mat: 4 1/8" x 5 3/8"

DSP: 4" x 5"

I used the Thoughtful Expression Dies for my sentiment pieces and the humming bird. The small leaf came from the Adoring Hearts Dies.

Start with a piece of cardstock measuring 5 ½" x 12"

Score on the long side at 3 ⅞" and 7 ¾" from top to bottom

at 1 ¹⁵⁄₁₆" and 5 ¹³⁄₁₆" from the edge to 1 ⅛" where it meets the red cut line repeat on the bottom edge

The two red lines indicate where you need to cut from the 1 ¹⁵⁄₁₆" score line to the 5 ¹³⁄₁₆" score line.

Line up the short edge of the card base at the 1 ⅛" line on your trimmer and line up the blade at the first score line and cut til you reach the third score line.

NOTE: I actually find it easier to fold along the 3 ⅞" score line before putting the card base in my trimmer and cut from the folded edge to the next score line.
