

Easter Candy Box 1

I used Night of Navy for the Box bases, mechanisms, top and bottom bases and belly band.

Box Bases: 4 1/2" x 5 1/4" (cut 2)

Score both pieces on all 4 sides at 5/8" and 1 1/4"
(Just keep rotating it until you have scored all the sides.)

Use the following diagram to cut off the excess pieces for the boxes. This part is also shown in the YouTube video: https://youtu.be/wkViCeVfD_U

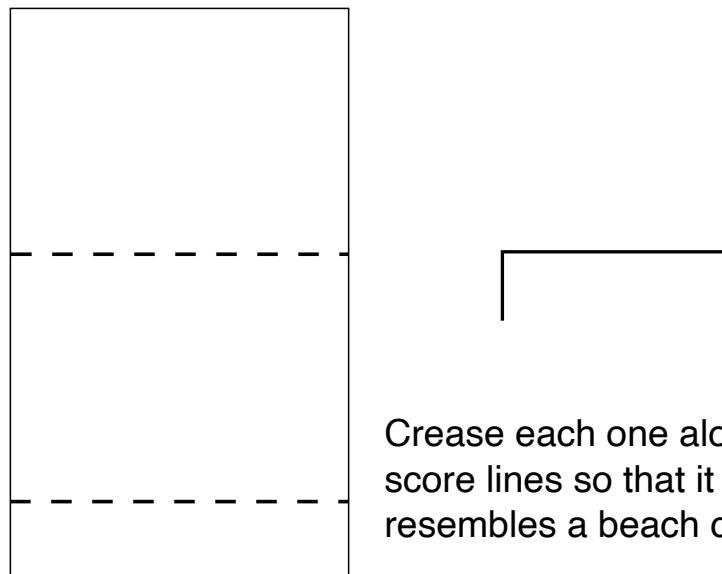

Watch the video to learn how to fold into a box.

Easter Candy Box 2

Flip Mechanism Pieces: 2 3/4" x 4 5/8" (cut 2)

score on the long side at 5/8" and 2 5/8"

DSP: 2 5/8" x 1 7/8" (cut 3 each of 2 different prints)

Crease each one along the score lines so that it resembles a beach chair.

Top and Bottom Bases: 2 1/4" x 5 7/8" (cut 2)

Basic White: 2 1/8" x 5 3/4"

DSP: 2" x 5 5/8"

Belly Band: 2" x 6 3/4"

Scored on the long side at: 1 1/8", 1 7/8", 4 1/8" & 4 7/8"

DSP: 1 7/8" x 6" (I cut mind 6" so I can get two from a 1 7/8" x 12" piece of DSP.) If you glue the DSP flush to one end of the Cardstock - it should overlap enough to cover up the missing 3/4"s

I crease the Belly Band first and then glue on the DSP and then re-crease.

Easter Candy Box 3

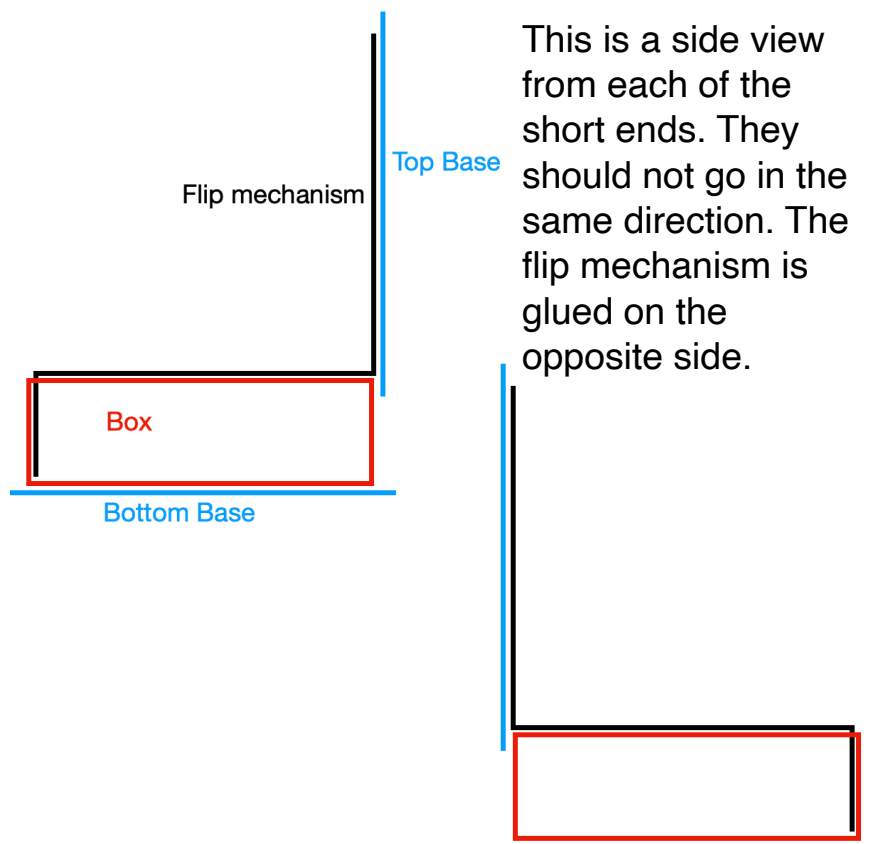

Wraps for Hershey Nuggets: 1 ¼" x 3"

I cut 4 each in two different DSP prints.

If you plan to put money in one side, then you will only need 4 wraps total (2 each of 2 designs)

To assemble and decorate the box you will need to watch the video.
