

## Ice Cream Cone Pocket Card 1

Bubble Bath Card Base - 4 1/4" x 5 1/2"

Bubble Bath Pocket 4 1/4" x 4 1/4" square cut in half along the diagonal (You only need 1/2" the square for one card)

Basic White - 4" x 5 1/4" (see below for cutting diagonal)

DSP - 3 3/4" x 5" (see below for cutting diagonal)

### Cutting Diagonals:

I like to make a template so I can be exact. I used scrap cardstock to make three squares: one at 4" x 4" and one at 3 3/4" x 3 3/4". Then cut the squares on the diagonal.

Use the 4" triangle to cut the 4" x 5 1/4" Basic White piece.

Use the 3 3/4" triangle to cut the 3 3/4" x 5" DSP

Glue the Bubble Bath pocket to the Bubble Bath card base. Be sure to only put glue along the bottom edge and the right hand edge. DO NOT glue along the diagonal or in the center.

Decorate with the Basic White and DSP that you cut following the directions above.

## Ice Cream Cone Pocket Card 2

Make an ice cream cone to be tucked in the pocket. The ice cream cone opens up to write a message inside.

The circle with Yum Yum on it was glued to hang off the card base and then trimmed.
