

Faux Diorama Grove Card

Use the diagram on the right to cut the two card bases needed to make this card.

It also includes the measurement for the DSP.

To add the Garden Green layer:

Cut a piece of Garden Green card stock: 4" x 5 1/4"

Die cut this piece using the same Forest die cut from the Grove die cut set that you used in the top left hand section of Fig 1.

Die Cut it as close to the center of the Garden Green piece as possible but you really don't want the Pecan Pie Card Base die cut and the Garden Green diecut to match perfectly.

It actually gives more depth to your forest if it is off just a smidge.

Cut off the tree trunks on the green piece.

Now glue the Green piece to the Front of the card base using glue or Stampin' Dimensionals.

Add a sentiment and decorate using forest animal die cuts and adhesive backed dragonflies and birds.

Faux Diorama Grove Card

Inside of the Card Base

Use the Grove Forest die cut in this section. Keep in mind this is the inside of the card and you need to die cut from the outside of the card.

From this perspective the trees are also upside down (see fig 1)

Start with an 8 1/2" X 11 Piece of cardstock. Score on long side at 5 1/2" and on the short side at 4 1/4"
Cut this 4 1/4" X 5 1/2" Section Out

Basic Beige Card Base:
5 3/8" x 8 1/4" scored on the long side at 4 1/8"

DSP: 4" x 5 1/4"

Glue the Basic Beige Card Base to this section of the inside of the Pecan Pie card base so that it opens down.
↓(ie. the fold is at the bottom)↓

Use the In the Grove bare tree die cut in this section.

Keep in mind this is the inside of the card and you need to die cut from the outside of the card.

Fig 1

Glue the 4" x 5 1/4" piece of DSP to the front of the Basic Beige card stock.

Fold →

Bonus Card

Basic White Card Base: 5 1/2" x 8 1/2" scored on the long side at 4 1/4"

Embossed Mat: 4 1/8" x 5 3/8"

Embossed Card stock strip: 2" X 5 1/2"

Mossy Meadow Square: 2 7/8" x 2 7/8"

Stamp a sentiment to the sentiment piece. 4 DSP Squares: 1 1/4 x 1 1/4"

Glue the Basic White Embossed mat to front of the card base

Glue Embossed card stock strip to the center front of the card base

Glue DSP squares to the 2 7/8" square leaving a margin around all sides of each square.

Glue Floral Die cut to center of the square keeping in mind that the 2 7/8" square is set on point

Use Stampin' Dimensionals or glue dots to adhere the 3" piece of twine behind the sentiment piece that you have already stamped and then attach to the floral die cut.

Use Stampin' Dimensionals or glue to attach the 2 7/8" square to the center of the card base.
