

Jug with Flowers Card 1

Basic White Card base:
5 1/2" x 8 1/2" scored on
long side at 4 1/4"

Early Espresso Mat:
4 1/8" x 5 3/8"

DSP: 4" x 5 1/4" piece cut
in half to make two pieces
measuring: 2" x 5 1/4"

1/8" x 5 1/4" piece of
textured metallic paper

Multiple dies cut from 3
different sets as noted on
page 2.

Step 1: Cut out all the pieces listed above

Step 2: Glue the two piece of DSP side by side on the Early Espresso Mat so that there is a slight margin all the way around but none in between the two pieces.

NOTE: My DSP was cut from the same piece of paper, but I flipped one of the pieces to the opposite side.

Step 3: Glue 1/8" strip of Textured metallic paper on top of the seam line between the two pieces of DSP

Step 4: Stamp a sentiment on the Scalloped Oval Piece

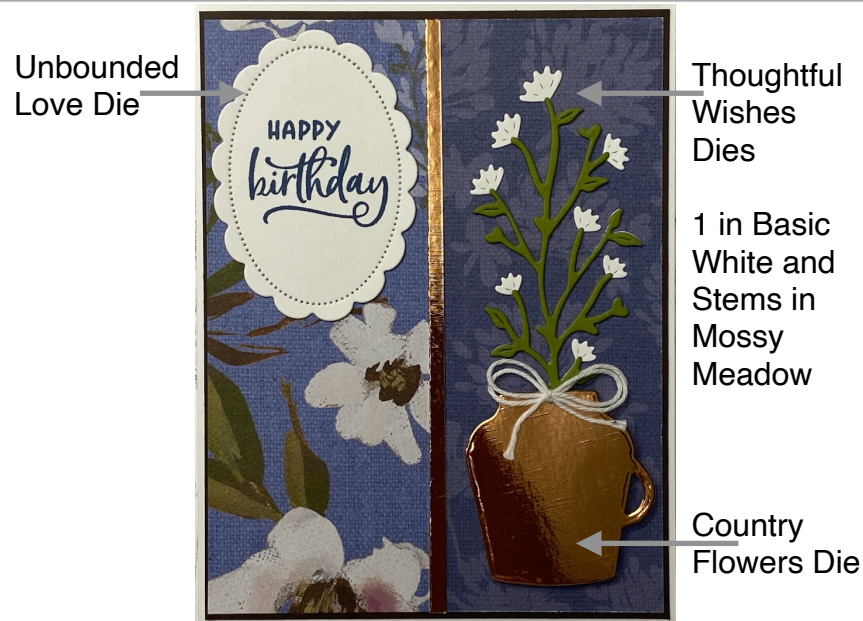

Step 5: Use Stampin Dimensionals to attach the Oval Piece to the card base.

Step 6: Glue the flower dies in place as shown on page 2

Step 7: Use Stampin' Dimensionals to adhere the metallic jug over the stem of the flowers

Step 8: Use 1 or 2 pieces of 6 inch twine and tie a bow. Use a dot of glue or glue dot to adhere the bow to the top of the jug.
