

## Memories & More Cards

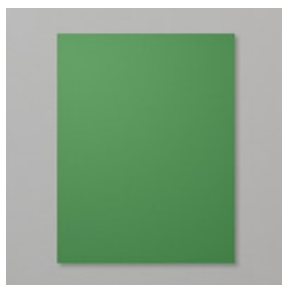

I made all the card bases for each of the cards, instead of using the premade Memories and More Cards. Mainly because I used the 3"x4" cards on regular A2 card bases. Measurements are given for each of the card bases I made. I kept these cards pretty simple, but layers of paper make them pop. Some of them could probably use some Basic Rhinestones if you want to give them some sparkle. This Memories and More Card Pack will be available starting September 4, 2024.
