

Floating Birdhouse Card 1

Petal Pink Card Base: 5 ½" x 8 ½" scored on long side at 2 ½" and 4 ¼"

2 Embossed Misty Moonlight Mats: 1 ⅞" x 5 ¼"

1 Embossed Misty moonlight piece: 1 ¼" x 5 ¼"

Inside Basic White Piece: 2 ¾" x 5 ¼"

All die cuts are from the Country Birdhouse Die cut set. The brown circle is a ¾" circle punch.

Step 1: Make card base

Step 2: Fold along the score line in the middle of the card base front. Just enough to see the score line clearly. I have indicated this line with the black dashes.

Step 3: Punch 2 two inch circles from petal pink cardstock and fold each in half

Step 4: Glue each of these circles to the front of the card base on either side of the score line with their folds towards each other. (indicated by the white dotted circle above, the solid white line indicates the fold line)

Step 5: Glue Embossed Mats to either side of the middle score line on the front of the card. The mat should only cover the half of the circle that is glued to the card base. The top half of the circle should be above the mat.

Step 6: Decorate the Birdhouse and glue the birdhouse only to the 2 half circles. This creates a floating effect when card is opened.

Step 7: Glue Basic White and skinny Misty Moonlight piece inside the card as shown.

Step 8: Stamp sentiment on circle and attach with a Stampin' Dimensional
