circle, teapot, flowers, &  
leaves

Step 1: Make card base

Step 2: Glue mat to front of card base

Step 3: Glue DSP to mat

Step 4: Decorate using die cuts of your choice

NOTE: I used Stampin' Dimensionals on the back of the  
circle and the back of the sentiment piece.

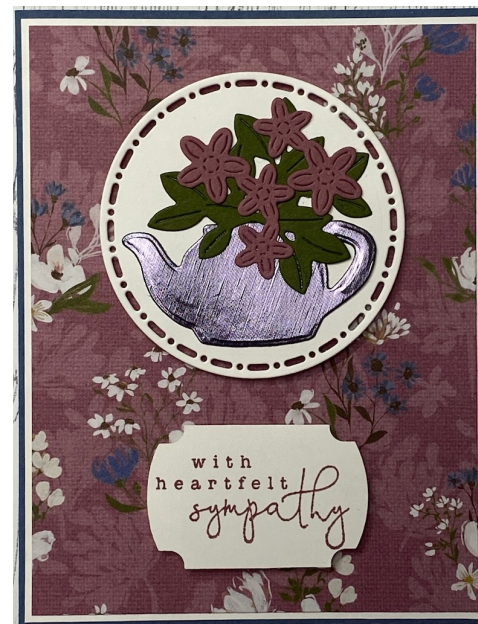

Step 5: Stamp sentiment on Basic White Cardstock

Step 6: Punch out sentiment

NOTE: If you want to make the punch fit your sentiment  
exactly, follow these steps

- Punch out the sentiment so that one side is at the edge of the punch
- Attach a sticky note to the back side of your punched piece making a handle so that you can reinsert the punched piece back in the punch
- Line up the straight sides of the punch and move it right next to your text and punch off the excess white.
