

Rectangular Mosaic Card 1

Very Vanilla Card Base: 5½" x 8½" scored on the long side at 4¼"

Pecan Pie Mat: 4 ⅛" x 5 ⅜"

DSP: 4" x 5" then follow directions below

Once all your pieces are cut, Glue the DSP rectangles to the Pecan Pie Mat. Be careful to line up your picture so that it lines up. There is a scant ⅛" gap between each piece and the side of the Pecan Pie mat.

Decorate as you wish.

Start with a 4" x 5" piece of DSP.
Cut into columns at: ¾", 1 ¾", 3 ¼", & 4 ¼"
You should now have 5 strips.

Trim ½" off the top and bottom of the two ¾" wide strips.

Trim ¼" off the top and bottom of the two 1" wide strips.

The middle strip should not need trimming.

NOTE: Do not trim just one side. You must cut from both ends to be able to center your picture.

Rectangular Mosaic Card 2

Use a piece of Very Vanilla cut to measure: 4" x 5 ¼" for the inside.

Stamp on it first before glueing it to the inside of your card.
