2. Line up the short side of the card base along the top of your paper trimmer so that the long edge of the card is at 1 1/8": Align your blade so that you cut between the two score lines as indicated by the red line. Now Repeat on the opposite edge of the card as indicated by the 2nd red line.
3. Now Turn to the long side of the card again and line up one of the short edges at 3 3/16" and score between the cut lines. Repeat on the other side. (Score lines C & D)

## Cutting the Designer Series Paper.

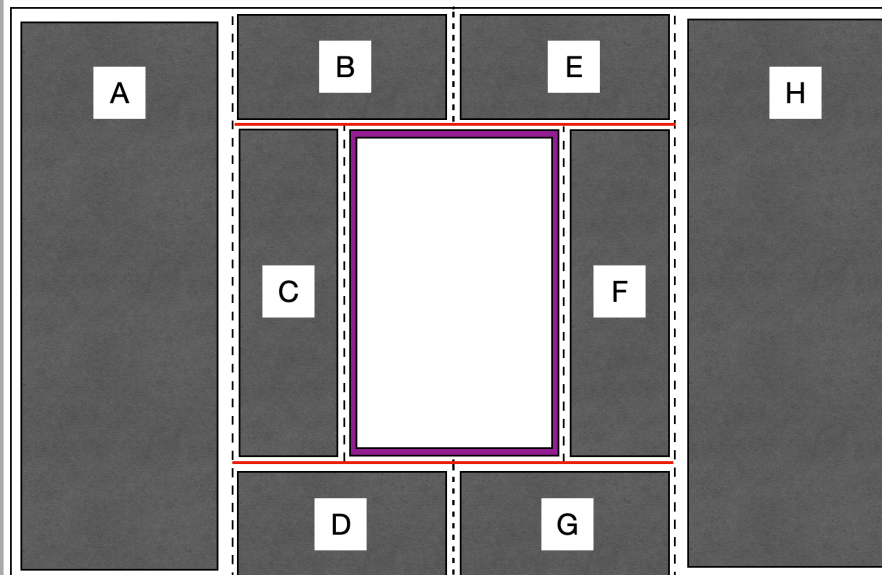

**NOTE:** Due to the paper pattern I used, I did not concern myself with matching the DSP. So I just cut the indicated pieces utilizing every bit of DSP I had.

If you want your DSP to match at the seams, then start with an 8" x 5 1/4" piece of DSP and cut in the following order being sure to lay out the pieces as you cut them on top of the Card base in its proper spot. (NOTE: there will still be places it does not match perfectly but it will be close)

1. Start by cutting the 8" x 5 1/4" piece of DSP into 4 columns.
2. Cut Column 1: 1 7/8" x 5 1/4"
3. Cut Column 2 & 3: 2" x 5 1/4"
4. Cut Column 4: 1 7/8" x 5 1/4"
5. Column 1 & 4 are ready to be glued onto the card base (Pieces A & H)
6. Columns 2 & 3 will need to be cut into 3 more pieces.

## Where to place the DSP.

7. Now let's cut Column 2
8. Cut 1" off the top and 1" off the bottom of the column creating 2 pieces measuring 1" x 2" (These are pieces B & D for column 2 and E & F for column 3)
9. You are left with Piece C (Piece F for column 3) which needs to be cut down to 7/8" x 3 1/8". When cutting this piece you want to cut the excess off the right side and bottom of this piece.
10. Column 3: Repeat instructions for column 2 except for Piece F you will want to cut off the left side and bottom unlike Piece C where you cut off the right side.
11. The center piece is:
  1. Blackberry Bliss Mat: 2" x 3 1/8"
  2. Basic White Piece for stamping: 1 7/8" x 3"
12. Decorate with Artful Amaryllis Dies
