Blind Date With A Book Card 2

There are many videos on how to wrap the book. Here are links to just a couple of them.

I looked up quotes from some of my families favorite authors for the bookmarks and decorated them with some new stamps sets in the upcoming January - April Mini Catalog from Stampin' Up!®

One of the new stamp sets with coordinating die cuts is called *For the Books*. This is the set I used the most and includes the five star stamp that I used for the Goodreads Rating. It will be available January 7, 2025.

Download the free Blind Date with a Book PDF file to print and fill in each section by hand. Add tea, stickers, and bookmarks to finish off the gift.

Book Mark Measurements

Basic White: 2" x 7"

Mat: 1 3/4" x 4 3/4"

Basic White with Quote printed on it: 1 5/8" x 4 5/8"

It also looks nice to add ribbon, yarn, or twine to wrap around the book.
