

Butterfly Shaped Card 1

Basic White Card
Base: 5 ½" x 8 ½"
scored on the long
side at 4 ¼"

DSP for inside:
3" x 5 ½"

DSP Stripe:
¾" x 5 ½"

Line up the Largest butterfly die with the score line on the card base and die cut just the front of the card.

Cut a butterfly from the DSP and trim off excess at the hinge. Glue this DSP butterfly to the front of the card.

Inside the card glue the 3" wide DSP piece and the stripe as shown.

For the inside writing space I used a die cut from Countryside Corners to die cut a Basic White piece that I stamped on before adhering inside the card.

Die cut sentiment piece for the butterfly in Fresh Freesia using a die cut from the Beautiful Butterfly die set. Stamp your sentiment then attach using Stampin' Dimensionals. NOTE: I inked the edges of the sentiment piece by carefully touching each side directly to the ink pad.

Add Basic Rhinestones.

Butterfly Shaped Card 2
