- Cut 2 Lacey Octagons using the outline octagon in conjunction with the lacy octagon so that you get a lacy octagon with border.
- Cut the card stock Octagon in Half. Mount a lacy octagon on each half so that the lacy part overlaps the cardstock octagon and cut off the excess.
- Cut the Wishing die cut with shadow
- Stamp sentiment to bottom right hand side of one of the DSP strips before next step.
- Glue the DSP strips to the top and bottom of the card base so that when layered with the octagons, the white card base is completely covered.
- Glue each half octagon to each side of the card base.
- Glue the Wishing sentiment across the DSP octagon.
- Mount the DSP octagon to the middle of the card base using Stampin' Dimensionals.
- Add Brushed Brass butterfly to embellish.
