

Trellis Easel Card 1

Basic White Card Base:
4 1/4" x 6 1/2" scored on the
long side at 5 1/2"

Basic White cut at 1"x4 1/4"

Inside DSP: 4" x 5 1/4"

DSP strips: 7/8" x 4"

Sentiment Piece:

Mossy Meadow 1 5/8" sq

Die Cut: 1 1/2" square

Basic White 1 1/4" square

Inside: 7/8" x 4" to be
placed at the bottom of
the inside DSP.

- Start by putting Tombo Multipurpose glue on the back of the trellis piece and let it dry completely. Once dry, it will attach to the window piece without glue oozing out everywhere you don't want it.
- Use the same glue technique with the stems and flowers.
- Glue inside DSP piece to the inside of the card base and glue DSP strips to the top flap of the card base and to the extra piece of Basic White for card base.
- Glue the trellis piece only at the top and bottom of the piece to attach to the card base and to attach the bottom strip of the card base. Glue the top first then line up the bottom strip with the bottom of the card base before gluing the bottom of the trellis to it so that it is lined up correctly.
- Stamp sentiment on Basic White sentiment square and add layers. Then attach to card base as shown.

Trellis Easel Card 2
