

Twisted in Time Window Card 1

Early Espresso Card Base:
5 ½" x 8 ½"
scored on the long side
at 4 ¼"

Very Vanilla Inside Card
Base: 5 ¼" x 8" scored on
the long side at 4"

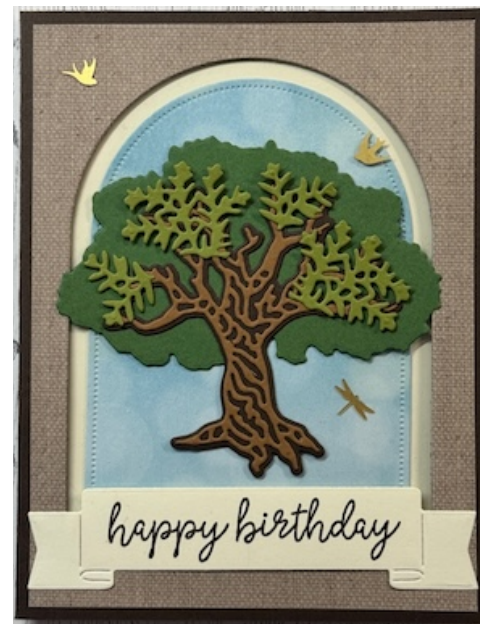

DSP & Window Sheet:
4" x 5 ¼"

Sentiment Piece: Diecut

Inside: 3 ¾" x 5"

- First Glue DSP to front of the Early Espresso Card base
- Die cut an Arch using the Everyday Arches dies
- Attach the Window sheet to the inside of the card base so that it covers the arch opening. (Dry Adhesive is best, but Tombow liquid glue will work if you let it completely dry first before attaching it to the card base)
- Decide if you want the inside card base to open the same direction as the outside card base or do you want it to open the opposite way. This matters for displaying the card, I personally like the way it displays behind the window arch when the card base opens the same way as the outside card base. Once you decide glue in the inside card base and glue a smaller blue arch to the front of this card base so that it can be seen through the window.
- Assemble the tree diecut and glue to front of window. Use dry adhesive or let the tombow glue dry completely before mounting.
- Stamp sentiment and glue.
- Decorate with embellishments.
