

Floral Delight Angled Z-Fold Card 1

Daffodil Delight Card
Base: 5 1/2" x 8 1/2"
scored on the long side
at 2 1/8" x 4 1/4"

Follow cutting template
on following page to
finish cutting the card
base and to cut the
angles on the DSP.

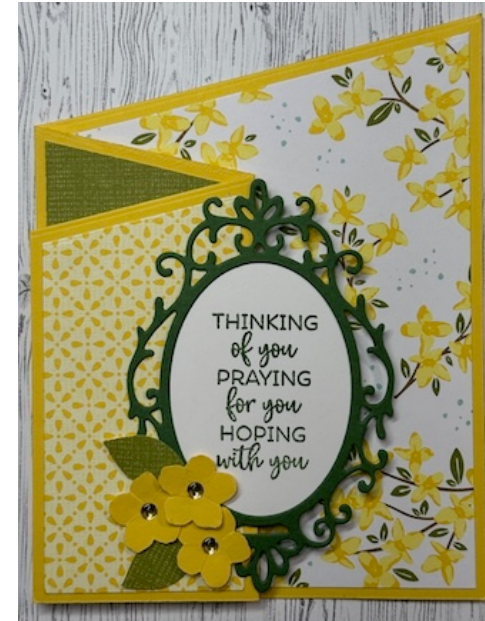

*For the skinny layers
of DSP and Basic White
start with a 1 7/8" x 4 1/2"
strip and use template
to finish trimming.

***NOTE** if making more than one cut your skinny strips
1 7/8" x 12 before using the template.
For larger piece of DSP cut a 4" x 5 1/4" piece or if
making more than one start with a 4" x 12" piece
before using the template to cut the angle.

Assembly:

- Fold the card base so that it forms a backward "Z"
- Glue DSP according to the directions on the template.
- Decorate:
- **NOTE:** When Decorating with the large sentiment piece, be sure to only glue the left side to the front of the first card base panel. You do not want to glue your card shut.

Template

Print template full size, so that section A measures approximately 4 ¼"

Cut the template out and use it to cut the angles from your card base as well as your DSP pieces.

You will also want to cut the middle piece from Basic White as well.
