up piece are shaded  
yellow. These are the  
parts that are glued  
to the card base.

- Start by folding section D behind section C and gluing it to the right side panel of the card base, making sure it is up against the score line but not crossing it.
- Keeping the card open and flat, fold Section A under section B and glue it to the card base.
- Stamp or decorate the Basic White piece and glue to the Garden Green Mat
- This piece will be glued to section C of the pop up piece. Once again keep the card open and flat so that you can line up the Stamped piece on section C so that it doesn't go out of bounds of the card base.
- Repeat for the 2nd pop up piece on opposite side
