Card Assembly:

- Glue the Damask Embossed Lost Lagoon Cardstock piece to the inside of the large card base.
- Glue the 4"x4" piece of DSP to the front of the large card base.
- Glue the smaller card base to the center of the Lost lagoon cardstock inside the larger card base. Be sure that the fold is on the right side of the card.
- Stamp images or a sentiment onto a 3" x 4" piece of Basic White and Glue to the inside of the smaller card base.
- Glue the 3" x4" piece of DSP to the front of the smaller card base. The front of the larger card base goes in between the layers of the smaller card base so that you have to open the smaller card base before opening the larger card base.
- Glue the Secret Sea strip and DSP strip together and attach to the front of the smaller card base.
- Stamp the sentiment piece and glue to the top of the smaller card base as shown in the picture.
- Add a die cut flower to the sentiment piece. The sample layers two of the flowers from the Happy Hibiscus Die cut set.
