### Assembly

1. Glue Plain Basic White piece to inside the card base near the fold

3. Decorate this last piece with a sentiment piece from Hibiscus Die set and two flowers from same set Don't forget to stamp the sentiment first!
4. On Front: Glue the two matching Basic White embossed pieces so that they meet right over the scored line. Be sure you have pre folded along the score line and don't overlap either piece of white.

## Notes & Totes Card 2

5. Glue handles and triangles onto each tote and arrange on front of card making sure nothing overhangs the card base.
6. Attach the totes only by the bottom half using Stampin' Dimensional or Glue. Be sure you can still bend the card front up to make the easel stand up.
7. Stamp a sentiment onto the banner piece and attach to card front making the cut left side flush with the card base. Optional: Attach with Stampin' Dimensionals. Add a small flower die cut

### Assembly

Once you have stamped the sentiment then Glue the DSP to this piece. There is a slight margin at the top and sides. You have about ⅝" on the bottom.
3. Glue the Basic White piece to front of card
4. Glue white pieces to the tote as well as the scarf keeping in mind some parts hang off the tote so you don't want glue on those sections.
