2. Glue the DSP to the Top flap of the card leaving an ⅛" margin on the top and sides.
3. Tear the top of the Cloud Cover piece and glue to the bottom of the DSP so that the bottom of this piece lines up just inside the bottom flap fold.
4. Glue the crumb cake pieces that you have torn at an angle to the front of the bottom flap.
5. Cut the Fence post in half and glue on either side of the crumb cake pieces.
6. Stamp the sentiment piece and trim off left side. Glue it flush to the left side of the card.

Sunrise Sailing Fun Fold Card 2

7. Glue the sailboat and bird die cuts to the front of the card.
8. The sample uses a hook & loop sticky dot for keeping the card closed.
9. Stamp the inside Basic White piece and glue to the card.
