## Assembly Instructions:

- Glue the 2 dry Embossed Gray Granite Strips to either side of the DSP on the Front of the Card. It helps to lay all three pieces out first to eyeball the margins before gluing.
- Stamp sentiment using Secret Sea Ink onto the Gray Granite Sentiment piece (Sample used one from the Beautiful Butterflies set)
- Mat the sentiment by using the Secret Sea sentiment piece. Just off set it a little bit from the gray piece and glue together.
- Attach the sentiment pieces to the card front using Stampin' Dimensionals or Glue.
- Optional: Add three Textured Dots as shown
