

Card 1

Cutting Instructions:

- Cajun Craze Card base: 4 ¼" x 11" scored on long side at 4 ¼" & 5 ½"
- DSP 1" x 4" and 4" x 4" for outside of card
- 6" x 6" for inside scored at 3" on both sides and then one diagonal from corner to corner
- Sentiment Pieces for front of card (Jolly Holly Dies):
- Large Rectangle Die: Cajun Craze
- Smaller Rectangle Die: Basic White
- Decoration (Charming Day Dies) Mossy Meadow Leaves
- Secret Sea Charming Shimmer Dots
- Nested Essentials Dies: 2 Basic White rounded rectangles

Assembly Instructions:

<https://youtu.be/yPAHEc3LiMw?si=KeHltmmkGyv9MKLV> (Video link)

- Fold card base along score lines and glue the section between the score lines so that the card is bound for that 1 ¼" section
- Glue the DSP to the front of the card (1" x 4" and 4" x 4" pieces)
- Stamp the sentiment to the Basic White sentiment piece
- Glue leaves to the Basic White sentiment piece
- Glue the Basic White sentiment piece to the Cajun Craze rectangle
- Attach the sentiment piece to the card with Stampin' Dimensionals or glue
- Fold the 6" x 6" DSP piece on the two score lines that are scored at the 3" marks and open it back up. **NOTE:** Fold the DSP so that the side you want to show when you open the card is inside the fold. (ie when folded the wrong side is showing)
- With the DSP piece opened back up, fold along the diagonal with wrong sides together and open back up
- The diagonal sections fold in towards each other from the sides and the top and the bottom sections meet to form a square.
- Glue the square on point so that the folded point is closest to the inside fold

Card 1

- Now put glue on top of the DSP folded square and close card so that it is glued to the card base.
- When you open the card it opens the DSP and will fold back in when closed
- Stamp on one of the inside rounded rectangle Basic White piece, use the other one for a written greeting and signature and glue to the top and bottom sections as shown in the picture below.

This link will take you to my video tutorial for this card: <https://youtu.be/yPAHEc3LiMw?si=KeHltmmkGyv9MKLV>
