

## Everyday Arched Accordion Card 1

### Cutting Instructions:

**Pecan Pie Card Base:** 2 ½" x 10 ⅞" scored on the long side at: 3 ⅝" and 7 ¼" and 3 Arches die cut using the 9th Everyday Arches die (count from the smallest arch to largest)

**DSP and Basic Beige** die cut using the 7th arch. Since the sample uses 6" x 6" DSP, start by cutting it in half before die cutting (3" x 6").

**Sentiment Piece** diecut from Basic Beige using the Textured Notes Dies

**Crumbcake and Gold Foil:** leaves diecut using Beautiful Motif dies

### Assembly:

- Fold the the long Pecan Pie strip along the score lines so that it forms a Z
- **NOTE:** The front of the card is the arch on the far left. The Middle Arch folds behind the front arch and then the last arch folds behind the middle arch.
- Glue the Pecan Pie arches to the strip so that each arch is between the score lines of each section. The bottom of the arch should be flush with the bottom of the strip.
- Glue the DSP arches to the Pecan Pie arches on the end sections. Leaving the middle section empty at present.

## Everyday Arched Accordion Card 2

### Assembly continued:

- Stamp the Basic Beige pieces for the sentiment on the outside of the card and for the inside of the card. The sample uses the Beautiful Motifs stamp set and Early Espresso Ink.
- Glue the Basic Beige arch to the center Pecan Pie Arch.
- Glue the large leaf stem to the front of the card base. Because this card is slightly smaller than a regular A2 card, the stem can extend past the card base a little.
- Then attach the gold leaves to the sentiment piece and attach to the card front using glue or Stampin' Dimensionals.
