## Project Recipe:

1. Cut Pretty in Pink cardstock to 5 1/2" x 8 1/2".

Score on the long side at 4 1/4" and fold to create the card base.

Cut a Garden Green mat for the card front to 4" x 5 1/4".

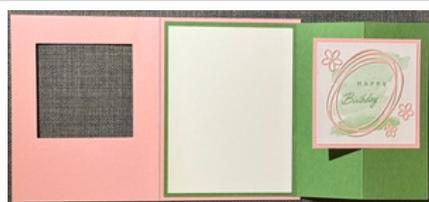

Do not adhere the mat yet.

Place the Garden Green mat on top of the front of the card base, aligning all edges. Secure with washi tape to prevent shifting.

Die cut a window through both the mat and the card base at the same time.

Remove the mat and dry emboss it using the Lovely Stripes 3D Embossing Folder.

Adhere the embossed mat to the front of the card base, carefully lining up the window openings.

2. Garden Green Inside Z-Fold Card Base Instructions

Cut Garden Green cardstock to 5 1/4" x 8".

Score on the long side at 2" and 4".

Fold the card base in half at the 4" score line.

Fold the 2" score line back toward the 4" score line to create the Z-fold.

Adhere the back of the Z-fold card base to the inside of the larger card base.

Make sure the fold is positioned toward the right side, which is opposite the fold of the larger card base. There should be a margin around the inside card base.

### 3. Pretty in Pink Z-Fold Window Panel Instructions

Cut Pretty in Pink cardstock to 3 1/4" x 3 1/4".

Cut Splash of Sparkles DSP to 3" x 3".

Stamp a sentiment directly onto the Splash of Sparkles DSP.

Add a die cut oval and flowers using the Swirled Design Dies and Pastels Shimmer Specialty Paper.

Adhere the DSP to the Pretty in Pink mat.

Attach only the right half of this square to the Z-fold panel so the DSP shows through the window on the front of the larger card base.

Optional: Stamp a sentiment on the Basic White piece measuring 3 3/4" x 5", then adhere it to the inside of the card.
