[166780]
\$14.00

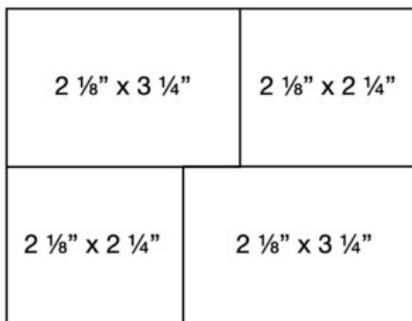

Old Olive Classic Stampin' Pad
[147090]
\$9.00

Stampin' Dimensionals
[104430]
\$4.25

Project Recipe:

1. Old Olive Card Base: 4 1/4" x 9 1/2"
scored on the 9 1/2" side at: 1", 2", 7 1/2", 8 1/2"

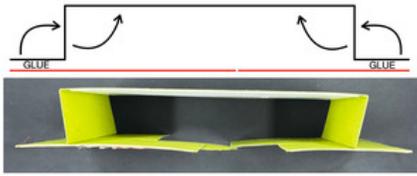

Old Olive Pieces for Front of Card Base

Start with a piece that measures 4 1/4" x 5 1/2"

Cut it in half along the 4 1/4" side so that you have two pieces that measure 2 1/8" x 5 1/2"

Cut these two pieces along the 5 1/2" side at 3 1/4" and you should now have 4 pieces measuring:

(2) 2 1/8" x 3 1/4" and (2) 2 1/8" x 2 1/4"

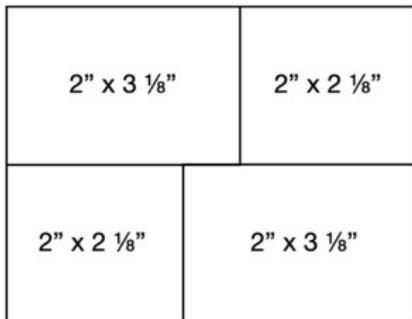

2. Fold along the score lines on both sides so that you form mini Z-Folds on both sides.

The top section of the z-fold is where you will glue the cardstock pieces in the same order as shown in the diagram in step one.

NOTE: Glue the cardstock to one side, both the top and the bottom. Then glue the other side being sure that the pieces meet in the center but don't overlap.

The picture is a top down view of card base with the card stock pieces glued

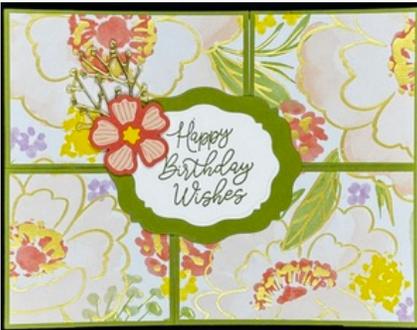

3. Designer Series Paper:

Start with a piece of DSP measuring 4" x 5 1/4"

Cut on the 4" side at 2"

Then cut each of these 2" x 5 1/4" strips individually using the diagram. It is important that when the pieces are put back together they reform the picture.

4. Glue the pieces of DSP to the coordinating cardstock pieces.

Stamp Sentiment Piece and glue to it's mat.

Decorate Sentiment piece with other die cuts as shown.

Then attach sentiment piece to one side with Stampin' Dimensionals.

5. Picture Open Card Base:

Cut a piece of Basic White measuring 4" x 5 1/4"

Stamp this piece if you wish and glue to the inside of the card base.
