Project Recipe:

1. Old Olive Flat Card Base: 4 1/4" x 5 1/2"

Fresh Freesia Double Z-Fold Card Base: 5 1/4" x 11" scored on both ends of the long side at 1 3/4" and 3 1/2"

Fold the Fresh Freesia sides towards the middle at the and 3 1/2" score lines and then fold the 1 3/4" score lines back out. This forms a z-fold on either side of the card. There is about a 1/2" gap in the middle. This will be covered up in the next step.

2. Fresh Freesia Card Front Pieces: Cut three pieces that measure: 1 3/4" x 4"

Designer Series Paper: Cut three pieces that measure: 1 3/8" x 3 7/8"

Look at the picture to see that the top and bottom Fresh Freesia Pieces are glued to the left side of the z-fold card base and the middle piece is glued to the right side of the card base.

Glue them in order from Top to Bottom or vice versa while the card base is folded closed. Make sure the piece lines up with the rest of the card base.

NOTE: The Fresh Freesia pieces are only glued to the top section of the Z-Fold so that the card can be opened and closed by pulling each side away from the middle.

Cut a piece of Basic White 4" x 5 1/4" to glue to the inside of the Fresh Freesia Card Base.

3. The decoration for this card includes:

Old Olive and Basic White cardstock cut in layers using the Beautifully Celebrated Dies.

From the Gliding Garden Swing Die set:

Table from Pecan Pie

Bowl from Gold Foil

Greenery from Old Olive

Flowers from Fresh Freesia

Triple Banner punch is used to create the old olive mat for the basic white sentiment piece. The sentiment piece is cut $\frac{1}{4}$ " x $1\frac{3}{4}$ "

NOTE: Decoration is attached only to the middle section with Stampin' Dimensionals.

Sentiment piece is attached to the bottom piece using Stampin' Dimensionals

Optional: Add Pearlized Faceted Circles.
