This card tutorial features the **2026–2028 In Colors** by Stampin' Up!®

Each card design is presented on its own page and includes large, clear photos to help with assembling your Debut Kit (available for \$10 plus postage, while supplies last).

Every page also lists the measurements and materials needed so you can easily recreate additional cards in the same design.

These cards are quick and easy layouts that can be adapted using any Designer Series Paper, die cuts, stamps, or punches you already have on hand.
