- Pearls Of Beauty [ 167098 ] [167098] \$8.00
- Stampin' Dimensionals [ 104430 ] [104430] \$4.25

## Project Recipe:

1. Crumb Cake Card Base: 5 1/2" x 8 1/2" Score on the long side at: 2 1/8", 4 1/4", and 6 3/8"

#### Front Decorations

Secret Sea Mats (for all four front sections): 1 7/8" x 5 1/4" (cut 4)

Designer Series Paper (for four front sections): 1 5/8" x 5" (cut 4)

Crumb Cake Pop-Out Piece:

1 1/2" x 6" Score on the long side at: 1", 2", 4", and 5"

Important: Attach the pop-out piece first before adding the mats and Designer Series Paper to the center two sections.

#### 2. Back Decorations

Secret Sea Cardstock (for all four back sections):

1 7/8" x 5 1/4" (cut 4)

Dry emboss two of these Secret Sea pieces using the Lazy Daisy 3D Embossing Folder.

Basic White (for the two center back sections):

1 7/8" x 5 1/4" (cut 2)

Optional: Add a dragonfly die cut using the Scalloped Wishes Dies.

Adhere all pieces to the back of the card base as shown in the sample.

### 3. Pop-Up Piece Assembly

Accordion fold the two side sections behind the center section of the pop-up piece.

Unfold the piece, then refold only the 1" sections on either end. These 1" sections create the tabs that will be glued to the center two sections of the card base.

The arrow in the photo indicates the fold line between the first and second sections of the pop-up piece.

Important:

The score lines on the card base should not be covered by the tabs. Make sure the tabs do not overlap the score lines at all.

Once the tabs are securely glued to the card base, they will be hidden by the Secret Sea mats and Designer Series Paper.

Finishing the Front

Add all front decorations as shown in the sample.

All decorative elements are die cut using the Scalloped Wishes Dies.

The flower centers are embellished with Pearls of Beauty Embellishments.

### 4. To Fold the Card

Hold each end of the card and gently bring them toward each other so that the score lines meet in the center.

As you fold, allow the back section to fold off to one side while keeping the front decorative panels facing forward.

Adjust as needed so the folds collapse neatly and the front decorations remain on the outside of the card.
