Project Recipe:

1. Mossy Meadow Card Base

4¼" x 11"

Score on the long side at 5½"

Designer Series Paper (DSP)

4" x 5¼"

Adhere the DSP to the card front. Then die cut using a circle from the Stylish Shapes Die Set.

2. Basic White Inside Card Base

5¼" x 8"

Score on the long side at 4" and 6"

Fold on the 4" score line first. Then fold on the 6" score line, folding it back toward the 4" fold to create a Z-Fold.

Note: The inside card base opens to the right.

Adhere the Basic White card base inside the Mossy Meadow card base as shown.

3. DSP for Top of Z-Fold

1¾" x 5"

Adhere the DSP to the top panel of the Z-Fold.

Using the Springtime Scenes Dies:

Die cut a Crumb Cake circle

Die cut a Mossy Meadow leafy circle

Die cut the small flowers from Earthen Tone Metallic paper

Layer the pieces as shown.

With the card closed, adhere the layered circles to the top of the Z-Fold.

Note: Apply adhesive only to the right half of the circle. Do not place glue on the left half so the Z-Fold can open properly.

4. Sentiment Piece for Front of Card

Using the Springtime Scenes Dies, cut a rectangle from Earthen Tone Metallic cardstock.

Basic White Mat:

1 1/8" x 1 7/8"

Crumb Cake Piece (for stamping):

1" x 1 3/4"

Stamp the Crumb Cake piece, then layer it onto the Basic White mat. Adhere the layered piece to the rectangle and attach to the front of the card.

Sample Details:

Springtime Scenes Stamps were used.

Mossy Meadow ink was used for the outside sentiment.
