The second score line (7") is a valley fold.

Assembly

Adhere the Basic Gray mats to each section of the tier. Layer the DSP pieces on top of the mats.

Adhere the middle tier to the base tier as follows:

Left section: Apply adhesive only along the left side of this panel. Do not glue the entire piece down.

Middle section: Do not glue this section at all.

Right section: Apply adhesive to the entire back of this panel and adhere it completely to the base tier.

This allows the tiers to move and fold properly while creating the layered effect.

3. Bottom Tier

Base

Cut cardstock to 1 ½" x 11" Score on the long side at: 5 ½" & 8 ¼"

Basic Gray Mats

Cut 1 piece at 1 ¼" x 5 ¼"

Cut 2 pieces at 1 ¼" x 2 ½"

Designer Series Paper (DSP)

Cut 1 piece at 1" x 5"

Cut 2 pieces at 1" x 2 ¼"

Folding Instructions

The first score line (5 ½") is a mountain fold.

The second score line (8 ¼") is a valley fold.

Assembly

Adhere the Basic Gray mats to each section of the tier. Layer the DSP pieces on top of the mats to complete the bottom tier.

Adhere the bottom tier to the middle tier using the same method:

Left section: Apply adhesive only along the left side of the panel.

Middle section: Do not glue this section.

Right section: Apply adhesive to the entire back of this panel and adhere it completely to the middle tier.

This ensures the tiers fold and expand properly while maintaining the dimensional design.

4. Sentiment Decoration

Sentiment Layers

Cut sentiment pieces from Basic White and Basic Gray cardstock.

Stamp your chosen sentiment on the Basic White piece using Secret Sea ink.

Sample uses the Forever Floral Stamp Set

Floral Die Cuts

Die cut the floral image from Crumb Cake and Secret Sea cardstock.

Cut the floral die cut in half.

Layer the Crumb Cake piece over the Secret Sea piece, slightly offsetting it so the Secret Sea acts as a shadow.

Adhere these layered floral pieces to the Basic Gray sentiment piece. Then layer the stamped Basic White sentiment piece on top.

Attach the completed sentiment to the far left side of the card using Stampin' Dimensionals™.

⚠ Be careful that the floral pieces do not extend beyond the edges of the card when it is closed.

Additional Die Cuts

Die cut small floral pieces from Secret Sea cardstock.

Die cut the leafy stem from Crumb Cake cardstock.

Adhere these extra die cuts to the bottom tier as shown in your sample.

Finishing Touch

Add Pearls of Beauty Embellishments to the sentiment piece to complete the card.
