

Stamp With TLC BOGO Sale!

Every purchase made through my Stampin' Up!® Online Store during the month of **July** qualifies you to choose **FREE** product from my stash of gently used retired Stampin' Up!® items!

The list of available retired products will be published on **July 17, 2026**. July is a great time to shop with new Online Exclusive products, new additions to the **Last Chance** section, and a wonderful selection of kits and Paper Pumpkin kit refills. **Every online order placed during July qualifies for this promotion.**

How It Works

There is **no minimum or maximum purchase required**. The \$50 amount used below is simply an example. You may place an order for more or less than \$50. However, **only the retail value of the products you purchase (before tax and shipping)** will determine the amount of retired product you may select for free. Tax and shipping charges do not count toward your qualifying retail purchase total.

Example:

- Place a **\$50 retail order** through my Stampin' Up!® Online Store during July.
- You'll be eligible to choose **up to \$50 worth** of gently used retired Stampin' Up!® products from my published list.
- Product selections are **first come, first served**, so shop early for the best selection!

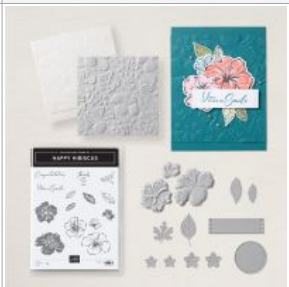

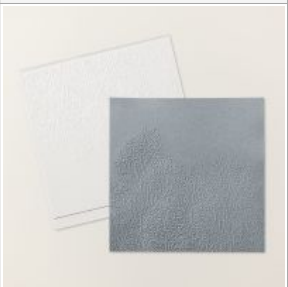

Shipping & Pickup

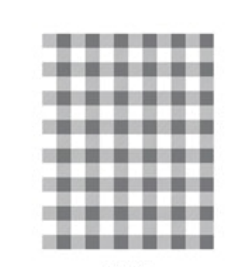

If your free retired products need to be shipped, you will be responsible for the shipping cost. I use PirateShip to find the most economical shipping option and will email you the shipping cost before sending your package.

If you live locally, you're welcome to arrange a porch pickup.

Please Note

- The photos shown below are **stock images**. The products you receive will be **gently used**.
- If you'd like to see the actual condition of an item before claiming it, I'd be happy to send you photos of the specific product.
- Additional retired products will be added to this list on **Monday, July 20, 2026**.
- At this time, these products are available **only through this promotion**. Any remaining items may be offered for sale at a later date.
- All retired products are available on a **first come, first served** basis. I have **only one of each item** listed, so once an item has been claimed, it is no longer available.
