Assembly Instructions

1. Create the Triangle Fold

Apply adhesive to the ½" flaps and attach the triangles to the **back of the Cajun Craze card base** at the top and bottom. Position them so the points of the triangles meet toward the center of the card base.

Trim any portions of the triangles that extend beyond the sides of the card base.

2. Decorate the Inside

Stamp the 3 ¾" x 5" **Basic White piece** and adhere it to the inside of the Cajun Craze card base.

Sample card: The Radiant Sunflower stamp set was stamped using **Early Espresso** and **Golden Glow** ink.

3. Add the DSP

Adhere the 3 ¾" x 5" **Sunflower Fields DSP** to the front of the Cajun Craze card base.

4. Attach the Card Base

Apply adhesive to the back of the Cajun Craze card base and center it on the **Early Espresso 4 ¼" x 5 ½" flat card base**.

Front Decorative Piece

5. Create the Front Mat

Adhere the embossed **Cajun Craze 2 ½" x 4" piece** to the **Early Espresso 2 ⅝" x 4 ⅛" mat**.

6. Add the Sentiment

Stamp your sentiment on the **Basic White sentiment piece** and attach it to the center of the embossed Cajun Craze piece.

Sample card: The sentiment was stamped with **Early Espresso ink** and attached using **Stampin' Dimensionals**.

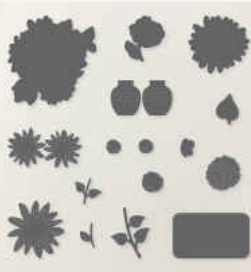

7. Assemble the Sunflower

Glue the **Golden Glow flower**, **Early Espresso flower center**, and **Mossy Meadow stem** together.

Adhere the completed sunflower to the sentiment piece. Be careful to apply adhesive **only where the flower will touch the sentiment piece**, allowing the card to open and close properly.
