- **Crumb Cake:** 2 1/4" x 2 1/4"

Layer the squares together, then add the sentiment as shown in the sample.

Floral Embellishment

Create the flower using dies from the **Flowering Meadow Dies**.

The cardstock colors used in the samples are:

- **Golden Glow**
- **Mossy Meadow**
- **Early Espresso**

Layer the die-cut pieces to create the dimensional flower and attach it to the sentiment piece.

Tip: When assembling the gate fold, make sure the two front panels meet evenly in the center when the card is closed.

Assembly Instructions

1. Create the Flat Card Base

Adhere the **Crumb Cake Mat** to the front of the **Pecan Pie Flat Card Base**.

2. Add the DSP Strips

Adhere the two 1" x 4" **Sunflower Fields DSP strips** to the left and right sides of the Crumb Cake mat.

3. Fold the Gate Fold Card Base

Fold the **Pecan Pie Gate Fold Card Base** along the score lines so that each side folds back in a **Z shape**. The two front panels should meet in the center when the card is closed.

4. Decorate the Gate Fold Panels

Adhere the two **Crumb Cake Mats** to the front panels of the folded gate fold. Then adhere the two **Sunflower Fields DSP pieces** to the Crumb Cake mats.

5. Add the Inside Sentiment

Stamp a sentiment on the 3 1/4" x 4" **Basic White piece**. Adhere this piece to the inside center panel of the gate fold card.

6. Attach the Gate Fold to the Flat Card Base

Apply adhesive to the appropriate back sections of the gate fold card and center it on the **Pecan Pie Flat Card Base**. Adhere it securely so the gate fold opens and closes freely.

Create the Sentiment Focal Point

7. Stamp the Sentiment

Stamp a sentiment on the **Basic White Tile Garden die-cut**. The sample uses a sentiment from the **Opulent Oasis Stamp Set** stamped in **Pecan Pie Ink**.

Important: Stamp the sentiment while the square is positioned **on point (as a diamond)**. Refer to the photo of the card front for the correct orientation.

8. Layer the Sentiment Piece

Adhere the stamped Basic White die-cut to the 2 1/4" x 2 1/4" **Crumb Cake mat**. Then adhere this layered piece to the **Pecan Pie Tile Garden die-cut**.

9. Assemble the Flower

Assemble the **Flowering Meadow** die-cut pieces as shown in the sample. Layer the **Golden Glow**, **Mossy Meadow**, and **Early Espresso** pieces to create the flower.

10. Attach the Flower

Adhere the assembled flower to the sentiment piece, positioning it as shown in the sample.

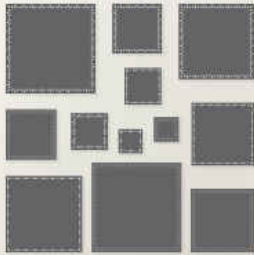

11. Attach the Focal Point to the Card

Finally, attach the completed sentiment piece to the **left gate-fold front panel only**. You can use liquid glue or **Stampin' Dimensionals**.

Be careful: Do **not** put adhesive on the right side of the sentiment piece. It must remain unattached so the gate fold can open properly.
