Cutting Instructions

Basic Gray Card Base

- Cut cardstock to $5\frac{1}{2}" \times 8\frac{1}{2}"$.
- Score on the long side at $4\frac{1}{4}"$.
- On the top portion of the card base, cut down from the top edge to the fold line at $1\frac{1}{4}"$ from each side, creating three separate sections.
- Score the middle section horizontally at $2\frac{1}{8}"$ from the bottom edge.

Smoky Slate Cardstock

- $1\frac{1}{8}" \times 4\frac{1}{8}"$ — cut 2
- $2\frac{7}{8}" \times 2"$ — cut 2; dry emboss with the Swirls of Magic Embossing Folder.
- $\frac{1}{2}"$ square — cut 1 for the inside of the card.

Basic White Cardstock

- $2\frac{3}{4}" \times 4"$ — cut 1 for the inside of the card.
- Die cut 1 Everyday Arch.

Alpine Winter Designer Series Paper

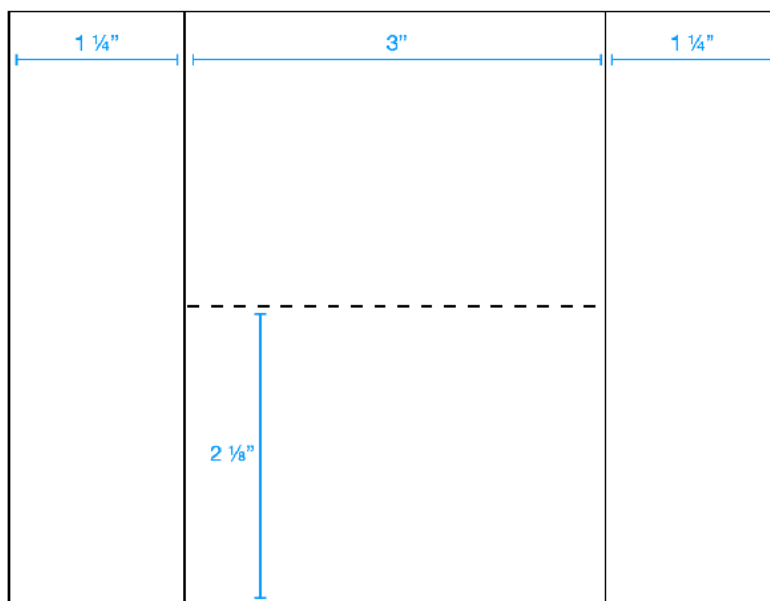

- $1" \times 4"$ — cut 2

Die Cuts and Embellishments

- Winter Adventure die cut
- 1 Winter Scene die cut from the silver Metal Effects Specialty Paper
- 2 snowflakes from the silver Metal Effects Specialty Paper
- Adhesive-Backed Snowflakes

Figure 1

Assembly Instructions

1. **Fold the card base.** Fold the card in half along the score line. Don't forget to fold along the additional score line in the middle of the center flap.
2. **Secure the side panels.** Apply glue to the two 1 ¼" side strips and glue them to the card base. Only the middle section should open.
3. **Add the Smoky Slate mats.** Glue one Smoky Slate mat to each of the two narrow side sections.
4. **Add the Designer Series Paper.** Glue one skinny piece of Alpine Winter Designer Series Paper on top of each Smoky Slate mat.
5. **Attach the embossed panels.** Glue the two embossed Smoky Slate pieces to the center section of the card front. Position one above the middle score line and the other below it.
6. **Prepare the Winter Scene focal point.** Stamp a sentiment on the Basic White Everyday Arch die cut. Before stamping, temporarily position the silver Winter Scene die cut over the white piece to determine the best placement for the sentiment. The sample uses Night of Navy ink and the Winter Adventure stamp set.
7. **Layer the Winter Scene.** After stamping, glue the silver Winter Scene die cut to the Basic White Everyday Arch. Trim away any excess white cardstock extending beyond the edges of the silver die cut.
8. **Add the snowflakes.** Attach one silver snowflake and two Secret Sea Adhesive-Backed Snowflakes to the Winter Scene focal point.
9. **Attach the focal point to the card front.** Use Stampin' Dimensionals or glue to attach the completed piece to the bottom portion of the center section of the card front. **Do not apply adhesive across the score line.** The focal point must remain attached only to the bottom portion so the easel can stand open.
10. **Finish the inside (optional).** Stamp a sentiment on the Basic White inside panel, if desired, and glue the panel to the center of the inside of the card.
11. **Create the easel stopper.** Glue one silver snowflake to the ½" Basic Gray square and add one Secret Sea Adhesive-Backed Snowflake. Turn the square on point and attach it to the Basic White inside panel, approximately 1" from the bottom of the card.
The sample uses a Stampin' Dimensional to give the easel something to rest against. The added snowflake embellishment may provide enough height to hold the card open without a dimensional.

How to Display Your Easel Card

To open the card, lift the center flap and fold it along the score line. Prop the flap against the snowflake embellishment on the inside panel to hold the card open for display.
